

Zen garden

## AN INSPIRING VENUE

When you need time and space to think clearly, bring your business agenda to Zen Garden. Located just 40 minutes from central Auckland and 25 minutes from the international airport, Zen Garden is an ideal venue for conferences, board meetings and strategic planning meetings.

## NATURALLY SECLUDED

At Zen Garden you can “get away from it all” without having to go too far. Our conference buildings and accommodation lodges are set within 20 acres of landscaped garden and framed by 55 acres of native and pine forest. The fresh air will help to energise your thoughts, while our first class hospitality services will ensure that you’re fuelled for action. Between work sessions, attendees can wander the garden and enjoy the unstoppable views of Auckland City and the Hauraki Gulf.

## TEAM-BUILDING & LEISURE

All work and no play? Not likely at Zen Garden, where fun is part of the total experience. On our site you’ll find forest and garden trails, tennis, pétanque and a movie theatre. Team-building activities can be created especially for your group, using our extensive grounds and facilities. For pure relaxation, or as a reward for top-performers, we can offer an extensive massage menu, a swim-spa and two saunas.

## CONFERENCE & MEETING SPACES

When you book Zen Garden as a conference or meeting venue, you will have the use of two rooms - Main Lodge and the Theatre Room. You can use these rooms however you like. For example, the Theatre Room could be used for presentations and Main Lodge could be used for breaks, meals and refreshments.

## SEATING CAPACITIES
