

WEDDINGS

Zen  garden 

“Great weddings are a celebration of lasting happiness, love and success. Romantic and intimate, they’re filled with a sense of harmony, joy and inner peace that stems from an inspiring view of the future.

Zen Garden offers the perfect setting for such an occasion. Hidden away in the idyllic countryside of Whitford in East Auckland, this exclusive estate is set in its own tranquil environment. The 75-acre property includes ancient forests, natural water features, Japanese gardens, simple yet luxurious facilities, and sweeping elevated views across the landscapes and harbour to Rangitoto Island and the distant city lights.”

Zen Garden is just 40 minutes from the city centre, but a world away from the pressures and stress of urban living. It’s a place where time stands still while peace and romance fill the air, along with delightful birdsong and the fragrance of exotic gardens.
